

PEACE ACTION: GOD IS ONE

Dear peace lovers in the COAST PROVINCE of KENYA,

As the date of our next **PRESIDENTIAL ELECTION** is very near, and some more militant Muslims have already announced that they will disturb them by rioting, we should try to realize a joint peace action, which shows that we, the offspring of Abraham, all believe **IN THE SAME GOD**, to reduce the numbers of their followers!.Therefore please **download** my attached painting called

GOD IS ONE

get it printed in COLOR in the size A3 or at least A4 and hang it in your offices, shop windows, churches, universities, outside your houses, etc. AS A POSTER. Don't let anybody discourage you, but try to encourage others to join us in this little peace action. Thanks a lot!
